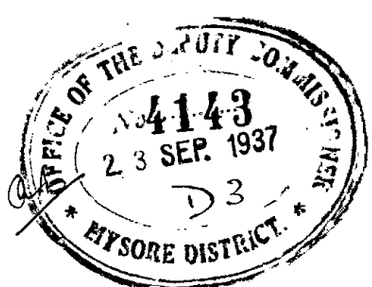
Sir,

SUBJECT :—

I have the honour to state that the Executive Engineer, Shimsha Project Division, Sivasamudram, had addressed the Deputy Commissioner, Mysore District, for the holding of a shandy at Netkal village for the convenience of the coolies employed under the Shimsha new project. A copy of this letter received through the Deputy Commissioner's Memo No.D8, 1263/37-38 dated 13-9-1937 is enclosed for reference.

It is seen from the letter of the Executive Engineer, that 9 to 10 thousand coolies will be employed and the present shandies now congregating are at a distance of about 10 miles away from the working zone. To meet the convenience of the labour a shandy at Netkal, Malavalli Taluk tentatively till the work is closed is an absolute necessity. I therefore request that sanction of the Government may kindly be obtained to hold the shandy at Netkal on Mondays. The subject will be placed before the Board at its next meeting and formal resolution obtained and submitted to Government in due course.



I have the honor to be,

Sir,
